ALL NATURAL, DELICIOUS BERRY BLEND

Perfect Purples™ Helps To Support:

- Healthy aging*
- Sharp memory and brain function*
- Circulation and vascular health*
- Healthy, radiant skin*
- Immune system function*

• Support Total Body Health*

It is well established that some of nature's most protective foods are darkly covered fruits and vegetables because they are rich in antioxidants such as phenols, anthocyanins, ellagic acid, proanthocyanidins, bioflavonoids and Vitamin C. These phytonutrients provide a variety of health benefits including support for your heart, eyes, skin and brain.* With Perfect Purples™, you can nourish your body using nature's most vibrant phytonutrients.

• Phytonutrient Rich, Healthy Aging Super Formula*

Perfect Purples™ is a delicious healthy aging drink mix that combines 19 nutrient rich whole foods and vegetable extracts including Blueberries, Blackberries, Black Raspberries, Plums, Pomegranate, Purple Cabbage and more. Also included are the brain nutrients Alpha GPC, L-Carnosine and Folic Acid to support mental clarity, focus and energy.*

• High ORAC Power

We are confident that you will feel healthier every time you take Perfect Purples™. Consuming between 3,000 and 5,000 ORAC units daily is recommended for optimal health and antioxidant protection. However, the average person only consumes about 1,200 ORAC units daily. Each serving of Perfect Purples™ contains a minimum of 3,000 ORAC units, the antioxidant equivalent of 5+ servings of fruits a day.

• Instructions

As a dietary supplement, mix one (1) level scoop 1 or 2 times daily in 6-8 oz. of pure, cold water. For optimal taste, mix or shake well in **cold water**. To further enhance taste, add two ice cubes before mixing or add a splash of your favorite juice.
