ENJOY OUR CLASSIC VANILLA BEAN OR RICH CHOCOLATE ALMOND FLAVORS!

Ultra Protein Plus Features:

- Only 96 Calories Per Scoop
- Easily Absorbable Protein
- Lactose Free and Stomach Friendly
- A Full Spectrum of Amino Acids
- Great for Dieters, Athletes or Seniors

- **Easily Absorbable, Natural Pea Protein**

  Looking for the perfect energizing snack? Purity's new Ultra Pure Protein Plus provides a rich source of all natural, plant based Pea Protein as well as all of the indispensable amino acids essential to health. If you've ever had trouble digesting Whey Protein, that's not a problem with Ultra Protein Plus, as it is lactose free, stomach friendly and easily absorbed. Remember, healthy protein levels in the diet are crucial for maintaining healthy muscle tissue as you age. With Ultra Protein, getting your protein has never been easier!

- **Tastes Great and Packed with Minerals Too!**

  Ultra Protein Plus is MORE than just a protein drink. At only 96 calories per scoop (with 18 grams of protein) this low sugar shake contains no genetically modified plant compounds and is pesticide, gluten and lactose free. Ultra Protein Plus is also loaded with an additional arsenal of vitamins and minerals such as Natural Vitamin E, Vitamin C, Folic Acid, Vitamins B12 and B6, a full spectrum of 15 different amino acids and much more. Great for dieters, athletes or seniors as a healthy snack or a quick meal on the go. Enjoy our **Classic Vanilla Bean** or **Rich Chocolate Almond** flavors and specify your choice when ordering. Mixes easily in water.

- **Directions**

  As a dietary supplement, adults mix 1 heaping scoop daily in 8-10 ounces of pure water, juice or milk (regular or soy). For a chilled smoothie, add two ice cubes before mixing.
