

## *Product Specification*

**PRODUCT NAME:** Purity's Omega-3  
**PRODUCT:** BioMarine™ 34/26 Concentrated Marine Oil MOST\*  
**Quality with Natural Lemon Flavor – 1076 mg**  
**PRODUCT NO.** MNSG-169  
**SHELF LIFE:** Three Years

General	Manufacturing Spec.	Methods
Pharmaceutical Form	Clear soft gelatin capsules containing a light golden oil	
Capsule size and shape	20 oblong clear	
Average Weight	1076 mg +/- 5%	USP
Disintegration	max. 45 minutes	USP
Acid Value	max. 3 mg KOH/g	031/Ph.Eur.Supp4.3 01/2003
Peroxide Value	max. 7.0 meq/kg	002/AOCS Cd 8-53
Anisidine value	Max. 20 meq/kg	016
Lead	max. 0.1 mg/kg	External laboratory
Cadmium	max. 0.1 mg/kg	External laboratory
Arsenic	max. 0.1 mg/kg	External laboratory
Mercury	max. 0.1 mg/kg	External laboratory
DDT, DDD, DDE	max. 0.05 mg/kg	External laboratory
PCB	max. 0.09 mg/kg	External laboratory
Dioxin (TE WHO)	max. 2 pq/g	External laboratory

Microbiological Standard	Manufacturing Spec.	Methods
Total Bacterial Count	max. 3,000/g	USP
Total Mold & Yeast Count	max. 300/g	USP
Salmonella	Negative/10g	USP
E. Coli	Negative/10g	USP
Staphylococcus Aureus	Negative/10g	USP
Pseudomonas	Negative/10g	USP

MNSG-169

Ingredients	Manufacturing Spec.	Methods
Concentrated Omega-3 Marine Oil with Natural Lemon Flavor and Proprietary Antioxidant Blend**	1076 mg	032/CRN Monogr.02
